# INTRODUCTION AND GENERAL INDEX

---

HILL DIRECTORY COMPANY, present to subscribers and the general public, this, the latest edition of the High Point Directory. (In all, the HILL DIRECTORY COMPANY and its affiliated companies publish more than 1,400 City, County, State and National Directories).

Confidence in the growth of High Point's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting High Point to the world.

The enviable position occupied by HILL'S Directories in the estimation of the public, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty cooperation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the High Point Directory will fulfill its mission as a source of authentic information pertaining to the community.

## Four Major Departments

The four major departments are arranged in the following order:—

I. THE BUYERS' GUIDE constitutes the first major department of the Directory, printed on yellow paper. In the first section of this department, grouped under appropriate headings, are included the advertisements and business cards of firms and individuals desiring to make a complete presentation of their products or services. Following this is the Classified Business Section which embraces a list of the names and addresses of all business and professional concerns of the community, arranged in alphabetical order under appropriate headings, a catalog of all the activities of the community. The Buyers' Guide represents reference advertising at its best, and merits the attention of all buyers and sellers seeking sources of supply or markets for goods. In a busy and diversified community like High Point, the necessity of having this kind of information up-to-date and always immediately available, is obvious. The Directory is the common intermediary between buyer and seller, and plays an important role in the daily activities of the commercial, industrial and professional world.

II. THE ALPHABETICAL LIST OF NAMES of residents, business and professional concerns is the second major department, printed on white paper. This is the only record in existence that aims to show the name, marital status, occupation and address of each adult resident of High Point, and the name, official personnel, nature and address of each firm and corporation in the community.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE is the third major department, printed on green paper. In this section the numbered streets are arranged in numerical order, followed by the named streets in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the

821615

numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of owner-occupied homes, the listing of telephone numbers and Zip Codes.

IV. THE NUMERICAL TELEPHONE DIRECTORY is the fourth major department, printed on blue paper.

### **Community Publicity**

The Directory reflects the achievements and ambitions of the community, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site, and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of High Point and vicinity.

### **The High Point Out-Of-Town City Directory Library**

Through the courtesy of the publishers of the High Point Directory, a Directory Library is maintained in the offices of the High Point Chamber Of Commerce, for free reference by the general public. This is one of more than 800 Directory Libraries installed in cities and towns throughout the United States, Canada and Puerto Rico through the courtesy of your publisher.

The publishers appreciatively acknowledge the recognition by those progressive business and professional men who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

### Origin of Name

High Point was originally on the Old Indian Trail extending from the seashore to the mountains which later became the Old Plank Road.

High Point derived its name from a statement made by Captain Greeg, chief engineer of the surveyors of the North Carolina Railroad from Goldsboro to Charlotte (now leased by the Southern Railway) in which he said, "This is the highest point along the whole survey, so we will mark it High Point." High Point is located in the heart of the Piedmont, the broad plateau extending from mountains which rise almost 7,000 feet in the west to coastal plains sloping eastward to the Atlantic. It has an area of 31 square miles and an altitude of 940 feet above sea level.

### Industry

High Point occupies the unique position of being the Southern center of two major industries—furniture and hosiery manufacturing.

The first furniture factory was established in 1888—today there are some 83 furniture factories located here manufacturing a complete line of wooden and upholstered household furniture, including also office desks and other items.

These are factories which maintain private showrooms, including Kaylyn Inc., Carolina Upholstery Company, Inc.; Heritage Furniture Company; Directional Industries Inc., Schoonbeck Company; Tomlinson of High Point; and Thayer-Coggin, Inc. Other showroom buildings are Bassett Enterprises, Inc., and American Square. In addition, there are a number of exhibition buildings which display the products of approximately 600 manufacturers. These are: The Southern Furniture Exposition Building; Furniture Plaza; High Point National Furniture Mart; Merchandise Mart; Furniture Display Building; Southeastern Building and the Dealer's Mart. The combined floor space of these buildings is approaching  $1\frac{1}{2}$  million square feet. High Point is the focal point of the great Southern Furniture Market, recognized as the only truly national furniture market in the country, and as one of the most significant furniture markets in the world. Styles are shown to the trade at four markets each year—in April and October to a national and international audience, and in January and July to a regional audience. Private showrooms and exhibition buildings are open only to members of the trade.

The daily capacity of the 22 hosiery mills of High Point exceeds 80,000 dozen pairs of hose, socks and children's wear. The manufacture of hosiery ranges from infants' hose to ladies' seamless hose. The volume of men's half hose and boys' socks are predominant. This makes High Point the largest producer of hosiery in the world. The first hosiery mill in High Point was established in 1905.

There is a wide diversity of manufacturing in High Point—in addition to 83 furniture factories and 22 hosiery mills, there are many diversified manufacturing plants. Among these are plants manufacturing men's and women's

apparel; bus and truck bodies; mattresses; box springs; pillows, veneers; ply-woods; fibre glass boats; art glass; paints; enamels; varnishes; lacquers; sealers; stains; fillers; undercoats; reducers; building materials; mirrors; glass furniture; novelties; toys; hosiery transfers; embossers; labels and seals; silk and rayon weaving; hosiery yarns; dyes; chemicals; textile oil specialties; paper boxes; corrugated shipping containers; television cabinets; textile spools; polyurethane foam; electronics; tools and dies; springs, fabric distributors; belts; asphalt products; bakery and dairy products; batting; bedding; brushes; cement blocks; signs; soaps; solvents; silk screens; feeds; flours; frames; leather products and mill work.

The manufacturer will find in High Point many advantages so necessary for successful and profitable operation (this is proven by the successful operation of plants now located here). Among these are climate; good living and working conditions; harmonious industrial relations; ample public utilities; adequate electric power and modern municipal facilities.

On the High Point, Thomasville and Denton Railroad, a successful short line railroad connecting, through the Winston-Salem southbound railroad, with the Norfolk and Western Railway, the Seaboard Coast Line Railroad and the Norfolk and Southern Railroad, with through rates and service applying. The C&NW is a division of the Southern to Asheboro and to the South.

Air service through the Greensboro-High Point-Winston-Salem Airport is furnished by Eastern Airlines, United Airlines, Piedmont Airlines, and Delta Airlines.

#### Charter and Form of Government

The original charter of the City of High Point was granted by the State Legislature in 1859.

The present charter provides for a city council consisting of a mayor and eight councilmen, elected by popular vote. Tenure of councilmen, two years.

High Point is operated under the modern city manager form of government which places responsibility for efficient operation of all departments upon which the city manager heads, and delegates to him authority commensurate with such responsibility.

Pursuant to provisions in the State of North Carolina Constitution, no new indebtedness may be created in any fiscal year in excess of 66.67% of the amount of retired indebtedness during the previous year except by vote of the citizens.

#### Utilities

The City operated its own electrical distribution system serving residential, commercial and industrial customers of unlimited size at rates comparable to private power rates of this area. There are 20,177 customers on the system. The system is of the most modern equipment, design and construction with a 69,000 v loop as its backbone. Advance system design, planning and financial programming have been done to insure a system second to none. The substantial profit from the operation of the system is reflected in other services.

Duke Power Company supplies all the electricity in our area, serving the City of High Point as a wholesale supplier and serving many large industrial customers directly. Industrial rates, in the City of High Point, are among the lowest in the southeast. Present expansion plans for the Duke generating system insure adequate power for all future needs.

Piedmont Natural Gas Company supplies natural gas to the High Point area. Through its distributing system, Piedmont Natural Gas serves residential, commercial, and industrial customers. The gas delivered contains not less than 1,000 BTU's per cubic foot with a specific gravity of .60. Natural gas is available in virtually all of the industrial sections of the High Point area.

Telephone services are furnished in High Point and surrounding areas by North State Telephone Company which has pioneered in Telephony since 1905.

There are at the present time 64,345 telephones in service—48,939 in High Point; 12,736 in Thomasville and 2,670 in Randleman. 142 PBX Systems; 656 long distance circuits. The company is the fourth largest of 29 independent telephone companies operating in the State and was the first company to install the dial system in North Carolina. The High Point Exchange Area covers over 290 square miles. Extended Area Service between High Point and the Thomasville Exchange is provided.

### Education

High Point College is one of the most dynamic and progressive educational institutions of the South. Its fundamental purpose is to prepare students for the tremendously important leadership roles of the future. In doing this, it stresses active participation and responsibility on the part of the students for their learning experiences.

It is accredited by regional, state and church agencies and its curriculum provides for A.B. and B.S. degrees in 17 major fields. High academic standards are maintained and only those students who show leadership potential and are in the upper half of their high school graduating class are admitted.

In addition to the regular college program, High Point College maintains numerous special conferences; seminars; workshops; and short courses. It was the first college in the South to offer laboratory programs in leadership and continues these programs for students, faculty, church, educational, business and religious groups.

The enrollment of 1,200 for regular season and 600 for summer represents 21 states and 6 foreign countries. The campus consists of 65 beautifully wooded acres with modern fire-proof buildings. Tuition and costs are maintained at a minimum to assure an education for anyone with the aptitude and the ambition.

**PUBLIC SCHOOLS**—High Point City Schools—The city school system with an enrollment of 12,257 and a professional staff of 575 consists of the following:

2 Senior High Schools—Enrollment . . . . .	2,406
3 Junior High Schools—Enrollment . . . . .	3,186
14 Elementary Schools—Enrollment . . . . .	6,665

These schools are housed in buildings valued at \$16,500,000.00. Seven public schools of the Guilford County System are located on the edges of High Point as well as four Randolph County Schools and several Davidson County Schools nearby.

The Guilford Technical Institute, located in Guilford County adjacent to the City of Jamestown, is a State-County supported institution administered through a local Board of Trustees by the State Department of Community Colleges. The Trustees of the Institute, through the State Board of Education, award the Associate in Applied Science degree for studies completed satisfactorily in such curriculums as electronics; business administration; secretarial science; machine design; chemistry; furniture technology; dental hygiene and others. Vocational curriculums include metal and machine trade; welding; drafting; auto mechanics; practical nursing; cosmetology and others. The objective of the Institute is to meet the educational needs of the community and to make useful citizens. Total enrollment is over 5,600. A high school diploma is required of students embarking in a technical program, but a diploma is not required for vocational programs provided that the individual by State law is a mature person 18 years or more of age.

Private schools located in High Point include nurseries; kindergartens; sectarian and parochial schools in grades 1 through 8. Our newest private school is Westchester Academy, with kindergarten through the 11th grade.

**COLLEGES**—High Point College. Accredited colleges located within easy commuting range—Wake Forest University; Winston-Salem College; Salem College; University of North Carolina at Greensboro; Greensboro College; Guilford College; Bennett College, and A & T College.

**BUSINESS SCHOOLS**—2; Beauty Colleges—1.

Capacity of pool is 1,250,000 gallons of water. Concrete dam and walkway over watershed. Modern, spacious gym; pavilion; softball field; outdoor amphitheatres; children's playgrounds equipped with the most modern equipment; family picnic facilities; six weeks summer day camp operated for retarded children. Miniature train and large liner to take passengers on tour of High Point watershed. There are 341.0 acres covered by water and 628.36 acres of field and forest at City Lake. Fishing from boat or bank on daily basis year round.

**WASHINGTON TERRACE**—27 acres; swimming pool; wading pool; 2 lighted tennis courts; paved multi-use areas; picnic grounds; picnic shelters; paved parking areas behind recreation center. Softball field; lighted athletic and baseball field; playground for children; modern recreation center; miniature train and airplane amusement ride.

**BLAIR PARK**—152.9 acres. Golf course; 18-hole championship golf course; club house; pro shop and maintenance shed area; 5 A.A.U. regulation lighted horseshoe pits; 4 paved and lighted tennis courts; and modern administration offices.

**Total over 1,500 acres park and recreation lands** including approximately 58 park strips and garden plots throughout the City of High Point ranging from 50' x 50' to  $2\frac{1}{2}$  acres in size. 18 lighted ballfields; 28 lighted tennis courts; and 21 neighborhood parks help to serve the needs for comprehensive program of wholesome recreation for men, women and children.

**Active cultural arts program** which includes men and women's chorus; community orchestra; community band and community theatre. Also, Saturday morning children's cultural programs presented monthly in cooperation with the Arts Council.

**Unique High Point Youth Council**, with representatives elected from 4 area high schools, provides exceptional opportunities for leadership, service and recreation for teen-age groups. This Youth Council sponsors and conducts such programs and projects as Youth Jury; Youth of the Month; Youth Government Day; Youth Week; School Beautification Contest; Youth Talent Show; Battle of the Bands; Teen Dances and other various volunteer service projects.

**Active arts and crafts workshop and ceramics center.**

20 playgrounds scattered throughout the City staffed during the summer. 6 neighborhood recreation centers, with trained personnel at each center to operate a program of recreation for all ages. Also, a \$150,000.00 recreation center for Senior Citizens with a complete and diversified program of recreation activities and social services for the elderly.

Numerous other special facilities and activities under the supervision of the Parks and Recreation Department, including a secondary watershed with an 800-acre lake currently under construction. When completed in 1971, this area will include a total of 1,550 acres with an 18-hole championship golf course; tennis center with 12 Grasstex courts; a family campground; family picnic areas; a boating marina and boat docks. Activities on the lake include boating; fishing; water skiing; sailboating and duck hunting.

The High Point YMCA, YWCA and Salvation Army Boys Club also have active intensive programs based upon the services traditionally presented by these agencies.

### Population Growth

Census: 1900—4,163; 1910—9,525; 1920—14,302; 1930—36,745; 1940—38,495; 1950—39,973; 1960—62,063; 1970—63,204.

### Guilford County

Guilford County is named for Frederick (Lord North) Earl of Guilford. Area 691 square miles. Formed in 1771 from Orange and Rowan Counties. Population, 246,520 (1960 Census). Estimated 1969 population, 301,000. Guilford County Tax rate .84¢ plus .30¢ school supplement. Assessed property valuation for Guilford County for 1968-1969 \$1,582,381,584.00.

### Agriculture

Farming in Guilford County is progressive and prosperous. Climate and soil conditions are favorable and markets are numerous and accessible. Major farm products produced in the County include tobacco, corn, hay, wheat and sweet potatoes. Dairy farming, beef production, poultry and egg production and feeder pigs are fast becoming major sources of income. The value of agricultural products produced in 1969 was over \$21 million. We have one major packing plant processing cattle and hogs and five poultry processing plants capable of handling 500,000 birds per week. Many of our farmers produce strawberries and vegetable crops for our urban friends on a "pick-it-yourself" basis.

Our people are supporters of 4-H; FFA programs for our youth. Farm Bureau and Grange organizations are active throughout the county.

### Points of Interest in High Point and Nearby Territory

**AIRPORT**—Municipal serving Greensboro, High Point and Winston-Salem with total flights in, 45, and total flights out, 45 daily. Total landings and take-offs of every kind in 1968 was 141,865; total air carriers landings and take-offs for 1968, 34,801.

**GUILFORD COURTHOUSE NATIONAL MILITARY PARK**—Revolutionary Battle site.

**FAMOUS TREE, CORNWALLIS OAK**—Located on the battleground.

**GENERAL GRIMES MONUMENT**—Located on the battleground.

**MUSEUM**—Located in Springfield Meeting House. City museum developing.

**SEDGEFIELD INN**—Located within 15 minutes drive by automobile. Mild weather and ideal terrain makes Guilford County a paradise for those who like golf, hunting, riding and other outdoor sports. Golf is a twelve-month's sport and Guilford courses are as popular with beginners as with leading professionals of the country.

**DIVERSIFIED SPORTS**—Guilford County visitors may enjoy a complete

**TOMLINSON OF HIGH POINT SHOWROOMS**—Open daily to the public except during the months of January, April, July and October, which are months in which the Southern Furniture Markets are held.

**THE GIANT BUREAU**—(Open 8-12; 1-5 weekdays). 508 North Hamilton Street, symbolizing the city's position as a furniture manufacturing center; was formerly the office of the High Point Chamber Of Commerce. It was built in 1925 at the corner of North Main and Church Streets. It was built of wood painted white, is 32 feet high, 27 feet long and 14 feet wide. A square screen on the top represents a mirror. The front of the building was moved to its present location and presented to the Junior Chamber Of Commerce in 1951.

**THE JOHN HALEY HOUSE**—Located at 1805 East Lexington Avenue at the site of the future High Point Museum Historic Park. This building of handmade brick was erected in 1786 by John Haley of Quaker heritage. It was built similar to other Quaker buildings in the area, although it has some German influence. On the map of North Carolina and South Carolina in 1823 it is shown as the only stopping place in this area, since High Point was not chartered until 1859. Haley was a blacksmith by trade, prominent in the area and overseer of the Martinville (Guilford Courthouse) to Salisbury Road (now Lexington Avenue) and it was natural that his home become a regular stopping place for wagons or stagecoach travelers where they would partake of food and lodging while waiting for repairs to horseshoes or wagons. In 1838 Jonathan Welch purchased it and continued to run it as an Inn or Tavern.

The house still bears the marks of its stagecoach days. The brick in the northwest corner are worn round where they were nicked by the hub of the coach as its prancing horses were brought to a stop at the door of the house. Purchased in 1966 by the City of High Point for restoration and controlled by the High Point Historical Society, Inc.

The High Point Museum is located in the Little Red Schoolhouse at the corner of East Ray and North Hamilton Streets. A trolley used in New Orleans from 1922 until 1963 has been returned to High Point, where it was built in 1922 by the P. A. Thomas Car Works, and is on the grounds of the museum. The museum houses a Diorama of early High Point, 1900 store, early Fire Department, and many other historical collections and exhibits. Open on Sundays 2-4 P. M. (Groups special appointment.)

# **CAUTION . . .**

Pay no money in advance to itinerant Directory Canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

## WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE:

*It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified listings.*

★ **The Buyers' Guide is a necessary supplement to the regular listings; It is good City Directory Information . . . EXTENDED** ★

# FLORAL GARDEN PARK CEMETERY

A MODERN  
CEMETERY

BEAUTIFUL, DIGNIFIED and SERENE

QUIET and peaceful . . . majestic trees . . . winding roads . . . rolling terrain . . . shrubbery and flowers . . . restful green background, climaxed by "The Christus" crowning the top of a beautiful knoll in the center of the property.

A celebrated work of art, this impressive statue reminds you that wherever you turn in Floral Garden Park Cemetery, you are conscious of the nearness of nature and of nature's God.

## CAUTION . . . . .

Pay no money in advance to itinerant Directory Canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

*Do your employers furnish you with the  
latest edition of the City Directory?*

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

# WHY A *Buyers' Guide?*

★ *It is customary to include a Buyers' Guide in the City Directory because:*

*It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified listings.*

## *Out of Sight! - Out of Mind! - Out of Business!*

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

## When planning your estate use all the skills at your service!

**In cooperation with your lawyer, accountant, and trust officer, your New York Life Agent can provide many valuable services.**

Conserving your estate to the best advantage requires careful planning by a team of experts. Possible tax saving agreements as well as the most beneficial means of distributing your estate must be thoroughly explored.

The key man in developing a sound program is your lawyer. Only he may give you legal counsel. The specialized advice of your accountant and trust officer can also be invaluable.

An important contribution can be made by your New York Life Agent, too. Every estate must have liquid dollars to meet death costs and preserve estate assets. Life insurance makes these liquid dollars available immediately

when they are needed. Your New York Life Agent's skill in coordinating insurance with your general estate can help make more productive use of all your estate assets. His assistance is yours without obligation.

For information, call your New York Life Agent, or write: New York Life Insurance Co., Dept. TI-5, 51 Madison Ave., New York 10, N.Y. (In Canada: 443 University Ave., Toronto 2, Ont.)

### CAR OWNERS

#### 1 Minute Quiz

1. Are my liability limits high enough to protect my home and savings in case of lawsuit?
2. Is my medical coverage enough to protect my family and friends if they are injured in my car?
3. Do I have coverage for total disability resulting from an auto accident?
4. Do I have coverage in case I need to be towed or have a tire changed?
5. Do members of my family have enough coverage in case of accidental auto death?

the  
future way  
of buying or  
selling a home  
is no longer  
in the future.

It's here now...in our Gallery of Homes... from coast-to-coast and Canada. Through the magic of photography, with brilliantly illuminated picture displays, you can buy or sell your home easier and quicker than ever before. You can get instant information and all details on what you see and want—in minutes instead of days or weeks. Doesn't this make sense?

Just call or visit a Realtor who is a member of the International network of The Gallery of Homes and displays this symbol.

ALTON STANFORD  
PRESIDENT

FRED JOYCE  
VICE PRESIDENT

Come on in, browse around! Our skilled counselors, in sparkling facilities, eagerly await the challenge to *serve you well.*

Every conceivable Gallery service is right here, at your fingertips. You'll find bright color photos of all homes listed for sale with us, as well as aerial photos, showing aerial view of area the Gallery serves. We are ready and able to make home buying or selling a pleasure, rather than a burden. In addition to exclusive Gallery of Homes System, our membership in these organizations assures you of reliable, competent, up-to-the-minute service:

#### MEMBER OF

High Point Board of Realtors, Inc.  
National Association of Real Estate Boards  
North Carolina Association of Realtors  
National Institute of Real Estate Brokers  
Commercial and Investment Division, NIREB  
Institute of Real Estate Management

Complete Gallery service includes a skilled examination of all properties. Then, following adequate discussion in an unhurried atmosphere, comes the ideal matching of homes to people. Whether you are moving from one part of town to another, or across the country, there will be no waste motion or loss of time! Gallery makes it easy for buyers and sellers to reach agreement. And when this is done we stand ready to arrange the best possible mortgage financing.

*Yes, it's all here . . . All we need is you!  
Won't you let us show you the lively power of  
Gallery of Homes . . . soon?*

## CAUTION . . . . .

Pay no money in advance to itinerant Directory Canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

## Out of Sight! - Out of Mind! - Out of Business!

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

### **recommended by the ASSOCIATION OF BETTER BUSINESS BUREAUS, INC.**

I. Serve the public with honest values.

II. Tell the truth about what is offered.

III. Tell the truth in a forthright manner so its significance may be understood by the trusting as well as the analytical.

IV. Tell customers what they want to know – what they have a right to know and ought to know about what is offered so that they may buy wisely and obtain the maximum satisfaction from their purchases.

V. Be prepared and willing to make good as promised and without quibble on any guarantee offered.

VI. Be sure that the normal use of merchandise or services offered will not be hazardous to public health or life.

VII. Reveal material facts, the deceptive concealment of which might cause consumers to be misled.

VIII. Advertise and sell merchandise or service on its merit and refrain from attacking your competitors or reflecting unfairly upon their products, services, or methods of doing business.

IX. If testimonials are used, use only those of competent witnesses who are sincere and honest in what they say about what you sell.

X. Avoid all tricky devices and schemes such as deceitful trade-in allowances, fictitious list prices, false and exaggerated comparative prices, bait advertising, misleading free offers, fake sales and similar practices which prey upon human ignorance and gullibility.
